

Department of Informatics

To Whom It May Concern:

This letter is to certify that Ms. Berta Gomez have studied one year at our Master programme in Cross Media Interaction Design, Umeå University, Dept of Informatics, from September 2011 to June 2012.

During this period, Berta took great responsibility in all her student projects and participated with enthusiasm in all the courses.

She demonstrated in depth abilities in the field of Cross Media Interaction Design and revealed a strong talent when it came to textual, artistic expressions of original concepts and clear height of thought in more complex concept development tasks. One of her prominent strengths is a very ambitious approach to complex problems and a very strong drive when she develops new concepts. Her attitude towards her studies, her classmate and teachers revealed a very ambitious individual who worked very well in collaborations and was very appreciated among both fellow students and teachers.

Therefore, I shall appreciate your kind consideration on her endeavor, I am certain that you will find her worthy of your help.
